

WE Believe – Saint John  
108 Penobsquis Loop Rd  
Penobsquis, New Brunswick  
E4G 2B8

To Whom it May Concern,

Over the summer, our team has worked hard to produce some educational material which can be used in the classroom throughout the year. All of this material can be found online at [www.webelieve.ca/education](http://www.webelieve.ca/education) and is completely free to use.

**WE Believe Booklet (English and French)**

This booklet will help students understand what WE Believe is all about. Information, pictures, and activities can be used at any time leading up to, during, and after the event.

**Volunteer Make a Difference Cards (English and French)**

This activity will help students show how they are working to make a difference. Students can write their cause and how they worked to make positive change in their community as well as include a picture or drawing. These can be posted in the classroom, kept in a classroom volunteer log, or sent home to share with friends and family.

**Social Impact Topics (English and French)**

This presentation covers 17 topics including hunger, mental health, discrimination, women's empowerment, and more. It also includes 7 suggestions on how students can continue to learn about, bring awareness to, and make a difference in their communities and around the world.

We encourage you to be creative and integrate these activities into your classroom however you see fit. We would love to hear how you have implemented these activities throughout the school year! Please do not hesitate to contact us with any questions, comments, or concerns. We can be reached by emailing [daniel.foote@nbed.nb.ca](mailto:daniel.foote@nbed.nb.ca)

Thank you for your continued support as we continue preparing this incredible event to empower and motivate our youth!
