To Whom It May Concern,

We Believe – Saint John Inc inspires youth to fulfil their potential as agents of positive change with resources that create sustainable impact, empowering young people to find their spark and to ignite their passion about social causes that are important to them in order to help them make the world a better place. By focusing on education, leadership, and empowerment through service learning, we enable young people to become active engaged citizens and help them to improve their leadership skills and improve their workforce readiness. We Believe – Saint John Inc. is a registered non-profit and a registered charity.

We Believe - Saint John is a youth focused registered charity that promotes service learning in our youth.

Our passion at We Believe – Saint John is:

We are an expanding and diverse community of service-minded students and educators from the Maritime provinces and the State of Maine that come together to take part in service learning, that help to make a positive change in our local and global communities.

Our focus at We Believe – Saint John:

- To provide year-round educational resources, in both English and French that help students and teachers to learn, select, activate, and deliver service-learning opportunities to both global and local communities.
- To promote volunteering and to celebrate our students and educators through bringing them together to be empowered by world renown leaders, performers, and speakers to celebrate their service and inspire our youth to continue their work in the years ahead.
- To provide speakers and performers who desire to shine a light on issues that young people care deeply about, including accessibility, homelessness, hunger, mental health, race, equality, bullying and the environment.

No one can buy a ticket to We Believe – Saint John – you earn it through volunteering.

In May, 2023 students and educators from across the Maritime Provinces and the State of Maine will come together at TD Station in Saint John, New Brunswick to celebrate their commitment to service and to be empowered to make a difference. At this event, our youth and educators will celebrate along with renowned local and global inspirational speakers and performers. In addition, they will hear from some of their peers from around the Maritime Provinces and beyond who are making a difference.

All contributions represent an irrevocable contribution to We Believe – Saint John Inc. and are non-refundable.
