To Whom it May Concern,

Each summer, our team has works hard to produce amazing educational material that can be used in the classroom or with student leadership groups throughout the year. All educational material can be found online at [www.webelieve.ca/education](http://www.webelieve.ca/education) and is completely free to use.

We encourage you to be creative and integrate these activities into your classroom or school however you see fit. We would love to hear how you have implemented these activities throughout the school year!

Please do not hesitate to contact us with any questions, comments, or concerns. We can be reached by emailing [danoote@nbnet.nb.ca](mailto:danoote@nbnet.nb.ca) Thank you for your continued support as we continue preparing for our next incredible event to empower and motivate our youth to Be the change!

Warmly,

Daniel Foote
